New for NORTHSIDE!

The District of Vanderhoof is now offering waste collection service to all residents North of the river (within municipal boundaries) on **Wednesdays**. Call us to sign up!

Have a question? Want to sign up?

- **Come to the District Office at 160 Connaught Street**
- **Call us at 250 567 4711**

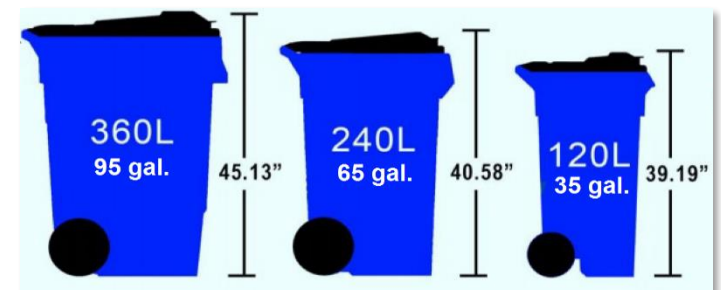

On collection day, bins must be placed no further than **1 metre** from the roadside and **must be on the street by 8:00am.**

Residents are responsible for the replacement cost if the bin is lost or stolen, and for keeping their bins clean and secure, and returning their bins to their property after collection. All bins have an electronic ID tag that is linked to your specific property, and must stay at the assigned residence even if you move.

If damage or vandalism of the bins results from negligence, residents will be responsible for obtaining a new bin from the District and paying the replacement cost. Please call 250-567-4711 to report your issue.

The size of bin will determine the annual user fee (see figure). The senior citizen and early payment discounts will be applied to these rates.

Annual cost for pick-up		
Large	Medium	Small
\$200	\$135	\$75
